## Intelligent Interactions. Simplified Payments.

Built To Serve Banking & Fintech

## The Centralized Billing & Payments Solution for Today's Consumers

Increase consumer loyalty and operational performance with Bill Center, part of the best-in-class Paymentus solution. Bill Center elevates the end-to-end consumer payment experience by delivering omnichannel, real-time capabilities that meet modern expectations.

### Keep Your Organization at the Forefront of Consumers' Financial Lives

Bill Center centralizes the bill payment experience by allowing consumers to seamlessly connect to thousands of billers through the Instant Payment Network®. This places your financial institution at the heart of their monthly financial activities, through a solution that offers modern payment options, real-time speed, seamless integrations with your existing online banking platform.

### Benefits for Banks & Credit Unions

With Bill Center and the full banking and fintech product suite, your financial institution won't just cement loyalty—you can achieve the primacy that effectively grows your bottom line. Use each transaction and interaction to gain essential insights into customer and member behaviors to help cross-sell relevant products and proactively address needs.

### Bill Center Highlights

#### Expanded Payment Options

Give consumers the ability to pay their bills through their preferred methods, including major credit and debit cards (Visa, Mastercard, American Express, and Discover), ACH/eChecks, and convenience-driving AutoPay. Customers can also receive immediate payment confirmation numbers, generated by the biller, for greater peace of mind.

#### Exclusive Features and Support

Bill Center not only centralizes billing and payments, it also simplifies reporting and reconciliation through an intuitive dashboard that offers a 360-degree real-time view of your platform. What's more, Paymentus offers complimentary marketing support to help drive the adoption of your solution.
