Intelligent Interactions. Simplified Payments.

The Transformational Solution for Loan Payments

Modernized Repayment for Today's Financial Institutions

Paymentus Loan Payments, powered by the Paymentus Instant Payment Network[®], gives banks and credit unions the power to transform the repayment experience through a single, holistic, omni-channel solution. Featuring expanded payment options, real-time speed, and an intuitive self-service interface, it's everything financial institutions need to win borrowers and loyalty.

Payment Options to Serve All Borrowers

Offer ACH/eCheck, Visa and Mastercard debit cards, PayPal, Venmo, Apple Pay[®], and Google Pay[™] digital wallets, and cash at retail stores* including Walmart, CVS, Dollar General, and more—all from a single solution, with no need for added contracts or vendors.

Expanded Payment & Communication Channels

Deploy a variety of payment channels that include web, AutoPay, Pay-by-Text, 24/7 chatbot, live agents, call center solutions, interactive voice response (IVR), and in-person. You can also target specific borrowers with actionable, real-time alerts and communications including automated reminders, instant payment confirmations, eBilling, and proactive notifications.

Exclusive Features & Support

Manage your unique needs with patented offerings that include Secure Service[®] IVR, SMS and email, as well as AI-powered Chatbot, retail/cash payments available in Walmart, CVS, Dollar General, and more. All with complimentary marketing support to increase digital adoption.

Integration Experience & Extensive Partner Network

Seamlessly launch with flexible deployment options including fully-hosted, SSO and SDK/APIs. The PCI compliant solution also offers enhanced reliability and 99.9% uptime performance, effectively delivering frictionless, uninterrupted payments.

Streamlined Reporting & Reconciliation

Agent Dashboard, a core component of Paymentus Loan Payments, makes it simpler and more cost effective to service loans by offering Enterprise Communications Manager for intuitive campaign management, modernized reporting, and advanced analytics including bill lifecycle, customer preference, and channel usage.

Reduce Costs and Increase Affordability

Paymentus makes it easy to reduce the costs of servicing loans and accepting payments through no-cost fee models and the adoption of cost-efficient digital payments and paperless eBilling. You also gain through the realization of interchange revenue.
